MEETINGS WITH COUNTY OFFICIALS

Throughout the year, agents or members of the State Tax Commission conducted and attended meetings with county officials instructing and advising county officials of their duties and the laws governing the same; and generally aided them with various problems occurring during the year. Agents or members of the State Tax Commission conducted over 1,406 meetings with county officials during the 2018 calendar year. These meetings have assisted assessors and other county officials in making more uniform and equitable assessments of the various classes of property and caused to be placed on the rolls some property heretofore omitted.
