WHO MAY SIGN?

The taxpayer who is the owner of the property may sign the Complaint for Review of Assessment form unless the property is in the name of a legal entity or a trust. Missouri law requires that an attorney must sign the form on behalf of the taxpayer/owner if the taxpayer/owner is a legal entity (for example, a corporation, a LLC, a partnership) OR a trust, association, or estate. NO EXCEPTIONS.

REAL PROPERTY

Real Property (real estate) is identified by parcel or locator number. You must send a copy of the Board of Equalization decision for each property you are appealing the assessment unless you recently purchased the property. If you recently purchased the property, you must include a copy of the closing statement or sales contract with your Complaint for Review of Assessment.

Recently Purchased Property

If you purchased the property within 30 days of the statutory deadline for filing appeals to the Board of Equalization, or later in the year, and you did not have the opportunity to appeal to the Board of Equalization, you will need to send your proof of purchase (sales contract and closing statement) to show that the timing of the purchase did not permit an appeal to the Board of Equalization. Contact the county clerk in the county where your property is located to determine the date when an appeal to the Board of Equalization was due.
