Instructions — Aggregate Statement of Taxable Property

COMMERCIAL AIRCRAFT OWNED BY OTHERS

The Missouri State Tax Commission (Commission) is responsible for the valuation and assessment of the distributable commercial real and personal property of Centrally Assessed Railroad and Utility Companies (CARUC), the distributable personal property of Commercial Aircraft Owned by Airlines (CAOBA) and Centrally Assessed Private Car Companies, and the personal property of Commercial Aircraft Owned by Others (CAOBO) in Missouri.

For these centrally assessed entities, the Aggregate Statement of Taxable Property is used by the Commission to determine the fair market value of the property as of January 1 of the current year. This includes the Form 12 and associated schedules.

Reporting Requirements

The Aggregate Statement of Taxable Property workbook is sent by email at the beginning of the tax year to all CAOBO companies that filed with the Original Assessment Section the prior year.

The Aggregate Statement of Taxable Property **MUST** be submitted electronically by email to OriginalAssessment@stc.mo.gov and the Schedule 20CA **MUST** be returned in the Excel format provided to the company.

The company's account number should be included in the subject line of all emails.

A new entity may contact the Original Assessment Section at 573-751-2414, option 3, to request a copy of the Aggregate Statement of Taxable Property, or download a copy from the State Tax Commission website: [Missouri State Tax Commission » \(120\) Commercial Aircraft Owned By Others \[CAOBO\] - Missouri State Tax Commission \(mo.gov\)](https://stc.mo.gov). A new account number will be assigned to a new entity after the Original Assessment Section receives all the required documents.

- Commercial aircraft owned by others (CAOBO – account 120) are NOT engaged in the carriage of persons or cargo for hire.
