SJ discussed the House Subcommittee on Appropriations recommended cut to the Assessment Maintenance fund by \$35,682, as the Budget Committees are reducing funds by lapse amounts from the prior fiscal year. Topic: Memorandum of Understanding Process Discussion

Motion(s)/Comments: SJ presented a Memorandum of Understanding (MOU) Process/Timeline provided by the Managers. SW presented an updated flow chart where Assessment Order was changed to Equalization Order to match the language in the statutes. SW also presented a spreadsheet of counties that were out of compliance, the date the MOU was signed or the status of the MOU if not signed, and the funding that could potentially lapse if the MOU is not signed. SJ provided an estimated amount of lapse funding if the counties on the list did not sign their MOUs. If the Budget Committees would continue their same process of reducing budgets by lapse amounts into the next fiscal year (FY-2027), the Assessment Maintenance fund could be reduced by over \$1.67 million, which would then cause a reduction of the per parcel funding to \$2.79 per parcel. State statutes have a floor of \$3.00 per parcel for the first 20,000 parcels. This means the calculation would be changed to provide funding at \$3.00 per parcel for the first 20,000 parcels and a reduced amount for any remaining parcels over 20,000. The Commission instructed SJ to prepare a flow chart for discussion and distribution at the March 12, 2025, Missouri State Assessors Association Meeting.
