Topic: Jackson County Correspondence Regarding 2025 Commercial Assessments

Motion(s)/Comments: The Commission discussed the correspondence received from the Jackson County Legislature regarding the 2025 Commercial Assessments and their request for the STC to take action and support the Legislature's resolution to cap commercial assessments at 15%. GKA drafted a response memo that provided the STC does not have enough information at this time to conclude that the commercial assessments are not at market value. GKA further provided that increasing commercial assessments to market value is following the law and for the STC to cap these assessments at 15% would violate the law in an arbitrary and capricious manner, if capped at less than market value. LJ provided Local Assistance is in the process of conducting the Jackson County Commercial Appraisal Study and would provide that information once the study was completed. GWR made a motion to approve the drafted response to Jackson County. DM seconded the motion.
